TIGERS HAVE SLIGHT EDGE

OVER SOONERS IN PAST

A victory for Oklahoma over Missouri Saturday would mean the tying up of the series of annual clashes between the two institutions. In ten years of football, Missouri has earned five victories and a tie. A victory for the Sooners would put the two schools on an even basis. The scores of previous years are as follows: 1902—Missouri, 22; Oklahoma, 5. 1910—Missouri, 26; Oklahoma, 0. 1911—Missouri, 6; Oklahoma, 14. 1912—Missouri, 14; Oklahoma, 0. 1913—Missouri, 20; Oklahoma, 13. 1914—Missouri, 0; Oklahoma, 3. 1915—Missouri, 23; Oklahoma, 11. 1917—Missouri, 7; Oklahoma, 14. 1919—Missouri, 0; Oklahoma, 6.

TIGER RESERVE POWER

TO CONFRONT SOONERS

While the coaches are frankly worried over the outcome of the Oklahoma game Saturday and are impressing on every member of the varsity squad the fact that the crisis of the season is at hand; nevertheless, they feel that the Tigers have a reserve power that has never been called upon in the games so far.

"There is latent power in the backfield," says Coach Miller, "that has never been used. We have never had our full strength behind the line so far this season. Some of these days they will get under way—perhaps this Saturday. While Lewis and Fullbright were injured in the Drake game and Novinger and Humes have not completely recovered from the injuries which have been holding them back, they are at least able to be used."

"Missouri has the heaviest and best line in its history. The line will do its part." The coach then spoke about blocking who will be out of the game for some time. "I consider him one of the best tackles in the West. With all his 195 pounds he is fast, and what is more important he has the first prerequisite of a first class football player—he is all there from the shoulders up."

Hardin, who will be used in the Sooners game, is getting into better shape every day. Last year, due to injuries, he was unable to start in the lineup until the Oklahoma game. This season he is better able to start than last year.

ADMINISTRATOR'S NOTICE Notice is hereby given, that letters of Administration on the Estate of Susan A. Gabbert deceased, were granted to the undersigned on the 20th day of September 1920, by the Probate Court of Boone County, Missouri. All persons having claims against said Estate are required to exhibit them for allowance to the Administrator within six months after the date of said letters, or they may be precluded from any benefit of said Estate; and if such claims be not exhibited within one year from the date of the last insertion of the publication of this notice, they shall be forever barred. of the hardest games of its season tomorrow afternoon when it meets Jefferson City at 2:30 o'clock on Cauthorn Field, according to J. J. Shy, coach of the team. Columbia defeated Jefferson City at Jefferson City by a score of 7 to 6 earlier in the season instead of Jefferson City defeating Columbia as was published in yesterday's Missouriian. Jefferson City has had some splendid coaching since that time. Nations, last year's coach, has come to the assistance of Woods and will make the game harder for Columbia. Fumbling cost the Columbia team heavily at Jefferson City. Mr. Shy says that the Columbia team has improved 100 per cent on the defense and 75 per cent on the offense since that time.

SOONER ROOTERS TO COME SATURDAY

SPECIAL TO THE MISSOURIAN. NORMAN, OKLA., Oct. 26.—Transporting Sooners to the state fair of Columbia will be the mission of 50 "Jazz Hounds," University of Oklahoma rooting organization, that will accompany the Sooners on their Missouri invasion Oct. 30.

Final plans have been made. The "Hounds" will leave in special cars with the university team Friday noon, October 29, and will reach Columbia at noon Saturday.

The students will immediately put on stunts. Although the plans of the organization to bring along the 60-piece R. O. T. C. band did not culminate, enough new stunts have been arranged to keep the Tiger crowd occupied. White duck trousers, pink coats, red fez caps with white tassels, and white shoes—that's the lineup of their costume.

"Two trips were made last year. The trip to Dallas, Tex., to the state fair was the highest piece of out-of-town advertising that the university has had in years. This year, Columbia will be the first trip for the order, although Drake at Thanksgiving, and the Oklahoma Agricultural and Mechanical college game at Stillwater will be made.

The Columbia trip was taken this year in preference to the Washington game because it was felt here that the friendly invasion by Sooners would increase the spirit of rivalry between the two schools, and also bring the Oklahomans into new territory as far as rooting organizations are concerned.

COLD WEATHER ADDS PEP TO TIGERS' WORK

Fans who heaved the cold to watch the Tigers practice yesterday afternoon came away with a feeling of encouragement over the outcome of the coming battle with the Sooners. While it was a bit slippery underfoot, the weather was otherwise ideal for football and the men displayed a push and vigor which caused the coaches to remark that it was the peppiest workout of the year.

Allan Lincoln was used for a major portion of the scrimmage and for the first time since the start of the season the big Webster Groves boy really found himself. Time after time he found his hole and carried the ball through the line for long gains. On end runs and snaggling passes his work was equally effective. But it is on interference that Lincoln shows his real ability. He spikes hard and rarely fails to take an end out of the play. In the comparatively light backfield used last night he loomed up like a veritable giant.

The varsity was on offense during the entire practice. Straight football, line bucks and end runs, varied occasionally with passes made up the program. Knight, Kershaw, Speller and Novinger were used to good effect and can be relied on to plug a hole in the backfield if the occasion arises. Humes and Williams were given a much needed rest.

Yes, last night saw a decided improvement in the backfield and like today's weather, things look brighter in the Tiger camp than they have so far this week.

HIGH SCHOOL GIRLS CHOOSE TEAM CAPTAINS

The girls' basketball teams of Columbia High School have elected their captains for the coming season. Helen Hughes was chosen for the senior team, Margaret Newell for the junior team, Frances W. Allen for the sophomore team and Ida Turner for the freshman team. The freshman squad is not yet complete but they hope to begin the series of class games soon.

M. U. GIRLS WIN POINTS FOR MS BY HIKING

Hiking is one of the forms of sport by which University girls win points for class numerals and M's. Under the supervision of Margaret C. Bogatz, girls are taking five and ten-mile hikes. Each five miles counts a point towards the ten points required for winning numerals and eligibility for the Women's Athletic Association. Credit for a maximum of fifty miles is allowed each term by the W. A. A. and all hikes must be in the company of a W. A. A. girl.

Five hike supervisors have been appointed who know the official hiking roads and rules. They are: Adele Muench, Agnes Thumser, Bernice Irwin, Ruth Hubbard and Marvel Smith.

RACE IS SCHEDULED BEFORE K. U. GAME Coach Robert I. Simpson announced yesterday that a dual cross country meet with Kansas would be held here on Thanksgiving Day. It is probable that the race beginning in front of the south bleachers will be arranged so that the runners will finish just before the football game.
